NEW

Lanz Massage update response to Covid 19

Effective June 1, 2020

Appointments

The scheduling and rescheduling will be made over the PHONE with Loretta and not at the computer in the reception area. We will stagger appointments so no more than 2 patients/clients with their therapist will be in the clinic at the same time.

There will be a series of questions before entering clinic and before receiving all massage treatments.

EXAMPLE

Are you sick, any one in your household sick and or running a fever. These appointments will be cancelled.

Protection

Masks will be required while you are in the waiting area and treatment room. Your massage therapist will wear gloves and a mask while performing the treatment. Hand washing before entering clinic is still required.

Copays and Payments

No cash payments for copays and balances are accepted, at the time of service. We will accept credit cards over the phone, or you can use the mail in option.
